MEETS INNOVATION."**

## WELCOME

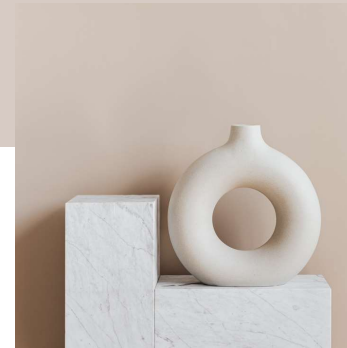

We're passionate about transforming spaces into beautiful, timeless environments that reflect your unique personality and lifestyle. Whether you are designing a cozy home, a stylish office, or a stunning commercial space, our team brings creativity, expertise, and attention to detail to every project.

Liyan Space Matrix reputation for innovation, quality construction, and inventive solutions are inherent in every project. No project is too small for creative value engineering nor too large for an intricate schedule. From the elaborate inlay of a patterned terrazzo floor to carving in a multi-level monument stair.

# OUR STORY

60+ project  
completed till 2025

## 2020–2022: HUMBLE BEGINNINGS

Liyan Space Matrix was founded in 2020 in Sector-11, Faridabad. With a small but passionate team, we began our journey by taking on residential projects, refining our skills, and establishing a client-first approach rooted in creativity, quality, and dedication.

## 2022–2024: GROWTH & RECOGNITION

This period marked a phase of rapid growth. We expanded our team, diversified into commercial and retail interiors, and gained recognition for our innovative designs. Client referrals and successful projects solidified our reputation as a reliable and visionary interior design firm.

## 2025 & BEYOND: EVOLVING WITH VISION

In 2025, we continue to push creative boundaries with sustainable, tech-integrated design solutions. Our focus remains on delivering exceptional interiors while exploring new design frontiers, building lasting relationships, and setting higher benchmarks in the world of interior design.
